Define Problem Statements (Customer Problem Statement Template)

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

PS	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	HR Administrator	Import bulk employee data from external systems	Imported data is missing or incorrect	Source system data is not clean or standardized	Import pipeline is not robust enough to handle messy data
PS-2	IT Operations Mgr	Track and verify imported employee records	Records are not consistently formatted	Import process does not validate data before loading	Records lack consolidation and verification steps
PS-3	ServiceNow Admin	Avoid duplicate records during import	Duplicate records are created	Import process does not check for existing records	System is not yet configured to handle duplicates
